- Woman's Home Companion, Crowell-Collier Publishing Co., 250 Park Ave., New York,
N.Y. Monthly. \$1.00 yr.; 15¢.

432. Artificial limb improvements. Trained Nurse and Hospital Rev. My 1946. 116:5:370-371.
433. Barrett, W.J. Road back: Personnel's responsibility. Industrial Medicine, Je 1946. 15:6:383-388.
- Discusses re-employment procedure for returning veterans, including the handicapped.
434. Bateman, M.L.D. Rehabilitation and resettlement. Part I. Labour Management. Dec.-Jan. 1944-45. 26:140-141.
- First of a series of five articles to discuss "those aspects...which particularly concern the industrial medical officer and the personnel officer."
435. Bauer, W.W. Ability among the disabled. Hygeia. Je 1946. 24:6:444-445, 477-479.
- Previews the book "Job Placement of the Physically Handicapped," by C. D. Clark, to be published by McGraw-Hill.
436. Baugh, C. I am a spastic, as told to Greer Williams. Colliers. My 18, 1946. 117:20, 88-89.
437. Beam, J.M. Sports for the handicapped. Health and Physical Education J. Je 1946. 17:5:272, 319.
- Discusses the physical training program for the U. S. Navy's hospitalized men.
438. Berger, M. Stirring story of an American town. New York Times Magazine. My 19, 1946. P.7, 53-57.
- The story of Phoenixville, Pa., and of Valloy Forge General Hospital, its residents and its patients.
439. Child welfare services in New Mexico; 1944 survey. Santa Fe, New Mexico, New Mexico Dept. of Public Welfare, Dec. 1945. 80 p. Mimeo.
440. Clarke, H.O. Orthopaedic and rehabilitation service of the Royal Air Force. Lancet. My 18, 1946. 150:6403:721-723.
441. Collins, S. D. The incidence of poliomyelitis and its crippling effects, as recorded in family surveys. Public Health Reports. Mar. 8, 1946. 61:10:327-355.
- Statistics on geographical variations in rates of incidence, paralytic attack, and residual paralysis or weakness; on parts of body affected, and age, sex, and race differences in incidence and severity; and on incidence by size of community.
442. Crawley, J.R. The "three arch enemies" can be defeated. Public Welfare in Indiana. Apr. 1946. 56:4:3-5.

The vocational rehabilitation program in Indiana.

443. Davidson, B. Doctors run the show. Colliers. My 11, 1946.

A description of the "Michigan Plan," now being adopted in other states, by which private physicians through their state organization contract with the Veterans Administration to treat eligible veterans.

444. Deaver, G.G., and Brown, M.E. Challenge of crutches, V. Daily activities on crutches. Archives of Physical Medicine. Mar. 1946. 27:3:141-157.

445. Drake, L. A gift of life. Colliers. Apr. 6, 1946. p. 21, 61.

Concerning "blue" babies and the Blalock-Taussig surgical operation.

446. Eldred, D.M. Hearing program in Vermont. Health and Physical Education J. Je 1946. 17:6:341-342, 372.

447. Epilepsy. Life. Je 3, 1946. p. 129-130, 134.

A series of pictures with text show how epilepsy is diagnosed, classified and treated,

448. Fenton, F.P. All they want is a chance; handicapped can learn to handle almost any job. Am. Federationist. Mar. 1946. 53:3:12-14.

Urges members of A.F. of L. to see that a more effective program for employment of the handicapped is carried out by the government and by employers.

449. Fox, M.J. Curare in the treatment of acute poliomyelitis. Am. Med. Assn. J. My 25, 1946. 131:4:278-280.

450. Furscott, H.E. Rehabilitation center of San Francisco, Inc. Physiotherapy Rev. My-Je 1946. 26:3:118-121.

451. Giden, M. Brief bibliography on cerebral palsy. Occupations. Apr. 1946. 24:7:416.

452. Growth of the physical restoration program. Virginia Rehabilitator. My 1946. 2:8:1-2.

A short report of the activities of the Division of Rehabilitation of Virginia, 1945-46.

453. Gumpert, M. Menace of rheumatic fever. Nation. Mar. 9, 1946. 162:10:286-287.

454. Hanson, S.L. Selective placement of handicapped workers. Council on Rehabilitation. News Letter. My 1946. 3:5:3-5.

455. Hathaway, W. What is being done for the partially seeing child? Trained Nurse and Hospital Rev. My 1946. 116:5:364-366.

456. Hawkins, B. Opportunities for the hard of hearing. Public Welfare in Indiana. Apr. 1946. 56:4:9-13.

457. Hazenhyer, I.M. History of the American Physiotherapy Association. Physiotherapy Rev. My-Je 1946. 26:3:122-129.

"Part III: Coming of Age, 1931-1938."

458. Heritage of disabloment. Brit. Medical J. My 4, 1946. 4452:687-688.

Reviews the 300 page preliminary report of the training and employment of war disabled persons in various countries. (I.L.O. Studies and Reports: Series E (The Disabled) No.7, Montreal, 1945. \$1.50.)

459. House, R.W. and Thompson, D. Limited survey of the constitutional growth of a number of seventh grade children. J. of Educational Research. Oct. 1945. 39:2:145-150.

460. Jordan, C.F. Prevalence of brucellosis. Diplomate. Apr. 1946. 18:4:101-102.

461. Journal of Venereal Disease Information. Editorial (Penicillin therapy of syphilis still an experimental procedure). My 1946. 27:5:113, 145.

Evidenced by following: discovery that certain recent penicillin fractions are less effective; necessity of periodic check-ups because of the tendency of the disease to recur after periods of latency.

462. Juhre, E.M. and Jones, E.S. Orthopedic surgery in the reconstruction of hands. Am. J. of Nursing. Apr. 1946. 46:4:245-246.

463. Kottler, A.J. Special service for handicapped child n. Public Welfare in Indiana. Apr. 1946. 56:4:5, 13-14.

464. Kieliazak, D. A patient with rheumatic fever, a nursing case study. Am. J. of Nursing. Mar. 1946. 46:3:195-196.

465. Kleeman, R.H. TB, VD; Savannah shows the way. Woman's Home Companion. Apr. 1946, p. 4, 160.

A report of the physical examination of all residents for tuberculosis and venereal diseases recently conducted in Savannah.

466. Krusen, F.H. Expanding field of physical medicine. Archives of Physical Medicine. Apr. 1946. 27:4:201-207.

467. Lacer, V.H. Feeding the crippled child. Bul. Missouri Soc. for Crippled Children. My 1946. 19:2:7,12.

468. Leavitt, R.K. Army know-how wins;...These disabled veterans started a successful motor maintenance business. Popular Science. Dec. 1945. 147:82-84,210.

469. Lennox, W.G. Epileptic patient and the nurse. Am. J. of Nursing. Apr. 1946. 46:4:219-223.

470. Lenrott, K.F. Europe fights famine. Crippled Child Mag. Je 1946. 24:1:12-14.

471. Lewin, P. Your knee. Hygeia. Je 1946. 24:6:430-431,446-449.

A popular account of the mechanics of the knee and of knee disorders.

472. "Living" war memorials would aid handicapped. Science News Letter. Je 8, 1946. 49:23:363.

Baruch Committee on Physical Medicine suggests community rehabilitation centers as war memorials.

473. McCulloch, H. Rheumatic heart disease. Bul. Missouri Soc. For Crippled Children. My 1946. 19:2:1-2

Entire issue devoted to subject including following: "State Programs for Control of Rheumatic Fever," U.S. Children's Bureau; "Public Health Nurse in the R.F. Program," L. Becker; "Social Factors in the Treatment of R.F.," C. Wettach; "Teacher's Role in Finding a New R.F. Patient," L. Becker; "Community Organization," A. Meyersieck; "Missouri's R.F. Program," V.H. Lacey.
